Since opening its doors in 2001, Vishal Manpower has been on a constant quest to satisfy all of its various clients. With more than two decades of expertise and industry presence, the company is highly regulated and compliant with various regulations, ensuring the best to its customers. The company is registered with all statutory bodies including the Labor Departments of Central and State governments. The company also adhere to the PF, ESI, GST and MSME, Udhyam and ISO 9001 guidelines by the government of India.

Over the years, Vishal Manpower has created a huge clientele from highly reputed organizations including the Karnataka Bank Ltd to Airport Authority of India and All India Radio in addition to MRPL, OMPL, NMPT, Indian Coast Guard HQ and DRDO. What makes the company a unique provider is its valid license processing capability to be engaged in the business of Private Security Agency (PSARA), a type of differentiated licensing issued by the Karnataka State Home Department. Along with PSARA , the company has procured Arm License by Karnataka Police Department in name of Vishal Manpower and Security Consultants—as per the Arms Act India.

DRIVEN BY INNOVATION

The fuel that drives Vishal Manpower and Security Consultant is Mr. Satish Hegde B, an MBA graduate and the Indian Army veteran. It is Hegde's 22 years of Army experience and exposure to Manpower & Security Services, also his commitment to customer satisfaction that's creating a huge difference with Vishal Manpower and Security Consultants when in comparison with other service providers in the same industry space.
